

I am a dedicated listener to K-LOVE radio, heard on 89.5, 89.1, and 88.5 in my area. It has come to my attention that my local stations are in danger if LPFM service is expanded. K-LOVE is an important radion station to my family. It is positive and encouraging and very different than any other station currently offered. Our community would be at a great loss if we were to lose this station. It serves the community and has the best interest of the public in mind in all it does.

Sincerely,  
Adam and Amy Straw
